

## Next Generation Nursing: Making a Difference

Nurse managers are a critical component of any health care organisation. These nurses are the link between administration and the frontline workforce. Nurses are an essential contributor to excellence in medical improvement, patient health recovery and patient satisfaction. Nurses are next generation leaders.

### OBJECTIVE OF THE WORKSHOP

- To prepare next generation nursing leaders
- To highlight digital advancements in nursing care.
- To enhance interdisciplinary nursing
- To improve the practice of today's nurses
- To enhance knowledge for new technologies
- To minimize the gap between education and practice
- To bring evidence based nursing in practice.

### WHY TO ATTEND?

- Inter- disciplinary nursing enhancement
- Best practice/new technology in nursing
- Dissolving gap between educator and practitioners
- Need for evidence based practice

Dr. Dhondo Keshav Karve  
(18 April 1858 – 9 November 1962)

- The samstha was founded by great visionary and social worker, "BHARAT RATNA DHONDO KESHAV KARVE." ,who was a social reformer in India in the field of women's welfare.
- Maharishi Stree Shikshan Samstha, Pune is committed to the "empowerment of women through education" over a century.
- Today beside Pune, the samstha has its established educational institutions at Ratnagiri, Sangli, Satara, Wai in Western Maharashtra and Nagpur in Central India.
- Sitabai Nargundkar College of Nursing for Women, Nagpur
- This college was established in 2007, in Nagpur, with Noble Intention to develop professional Nurses by imparting quality education through well qualified teaching staff and rich clinical experience at renowned hospitals of Nagpur.

### Mission

The institute is "committed to developing conscientious, confident and caring nursing professionals of international repute."
